CASE NO. C06-657RSM

ORDER ON MOTION FOR RELIEF
FROM PROTECTIVE ORDER

16 This matter is now before the Court for consideration of plaintiffs' motion for relief from a
17 protective order. Dkt. # 40. Plaintiffs seek relief from that portion of the Order on Motion to compel
18 (Dkt. # 22) which prohibits "disclosure of confidential personal or financial information to any third party,
19 apart from the Judgment Creditors' legal counsel and involved representatives of the Judgment Creditors
20 themselves" so that they may respond to a subpoena duces tecum issued in Cause No. M08-069JPD. As
21 defendants have not opposed the motion, the motion is GRANTED IN PART. Plaintiffs are relieved of
22 the requirements of ¶1, p.3 of the Court's prior Order (Dkt. # 22) for the limited purpose of responding
23 to the subpoena duces tecum. Disclosure shall be limited to counsel for the judgment creditors in Cause
24 No. M08-069JPD and no other persons or agencies, absent further leave from the Court.

25 DATED this 2 day of March 2009.
